

Growing Into Our Future

ANNUAL REPORT 2018 - 2019

Dear Friends of Spaulding Youth Center

Change is inevitable. Change is also exciting. And although it is often challenging, the process of evolving is truly inspiring. Change is a constant source of conversation at Spaulding these days and much of the most recent discussion has been focused on the many significant legislative changes happening both at federal and state levels that impact every program we provide and each service we deliver. We know that doesn't sound glamorous or poignant, but these changes are stimulating us to think differently about how we do what we do and what our future will hold, that is a great thing for any non profit business.

Simply stated, Spaulding provides therapeutically intensive education and residential services, along with community-based child and family programs largely through foster and adoptive support, to people throughout New Hampshire and beyond. In doing this work, Spaulding has never sat still or avoided change but has consistently reflected on what we do and responded to what society needs with a special focus on what vulnerable children need to thrive. Spaulding has always embodied change and our programs and services reflect this responsiveness. We have been gearing up over the past year or more, to kick these strengths into overdrive in 2020.

2020 will be a year of changes for Spaulding, many significant and certainly meaningful, with a strong focus on adding evidence-based practices and expanding programs that produce truly positive outcomes for those we serve. We recognize there is always more we can add to our tool set so that we continue to ensure the absolute highest quality of services to children and families in a changing landscape. We note all of this because we've been gearing up for New Hampshire's adoption of the federal legislation called Family First Prevention Services Act. This will result in national accreditation for all our programs and not just our stellar academic program which is also going through another five-year reaccreditation cycle. We're also eagerly planning to celebrate our 150th anniversary in 2021 and we are even reviewing how our name best represents what we really do. And much, much more.

All of this is invigorating and motivating us to be more creative and open-minded to the possibilities than ever before. We're thrilled to say 2019 was a great year and that 2020 will be even better!

Of course, some things don't change and that includes us remaining deeply and genuinely inspired to do our best work every day with the children and families we support. There are more referrals to Spaulding than ever before and we continue to make huge differences, really deep and meaningful changes, in the lives of every child and family we serve. The staff are devoted, talented and simply awesome. The kids are smart, fun and just amazing. There is a lot of joy found every day in the hard work we do! All those who support us through gifts, grants and donations remind us that we are not doing this work alone, that the children are not forgotten, and that every family's well-being is important to the future of our communities and state. Our depth of gratitude also remains unchanged and we **Thank You** for all the ways you support us - it's truly invaluable in all its forms. Stay tuned to experience all the changes along with us and all the new challenges we undertake, and know how grateful we are that you care enough to make those changes happen just as much as we do. To 2020 and beyond!

With gratitude,

Susan C. Ryan

Community Awards

Spaulding Youth Center was proud to publicly recognize two community award recipients during this year's Thanksgiving Celebration. The *Arthur H. Nighswander Community Partner Award* was presented to **Pat Clark**, a long-standing board member and supporter of Spaulding Youth Center who retired this year. The *You've Got a Friend Award* was presented to Julie Lawrence from the **Lakes Region Riding Academy** a dedicated supporter who provides several equine programs to so many Spaulding students.

Programs & Services

Residential

Children learn and grow best in a warm, nurturing and safe environment. At Spaulding, our cottages reflect typical home environments so that students are free to learn, explore and simply be children. Residential life addresses each child's needs by focusing on behavior, social and independent skills development. All residential students are assigned a dedicated team to help develop an individualized treatment plan and to ensure a consistent approach to the student's Individual Educational Plan (IEP) and clinical needs. After school programs, vocational opportunities and frequent evening and weekend excursions encourage children to develop and have fun in their larger community.

Community-Based

For over 10 years, Spaulding Youth Center has provided high-quality services to children, youth, and families as a licensed Child-Placing Agency. Our Individual Service Option (ISO) Foster Care program recruits, trains and licenses foster parents for children ranging in age from birth to 18. Our ISO In-Home Services provides support for our foster families and children, including developing a plan to transition the child toward permanency. We also provide Child Health Support services to foster parents, birth families and pre-adoptive homes to facilitate placement success.

Academic

Spaulding Youth Center School is approved by the State of New Hampshire Department of Education (NHDOE) as a Private Special Education School. Our vigorous curriculum mirrors that of traditional classrooms with modifications and accommodations as outlined by each student's Individual Education Plan (IEP). Key elements of our academic program include technology enabled classrooms, Experiential Challenges Outdoors (EChO), a fully-integrated music and arts program, and on-site related services, including clinical and health services as well as occupational, physical and speech and language therapy.

Thank You To Our Generous Donors

Daniel Webster Legacy Society

We are pleased to acknowledge the following individuals who have included Spaulding Youth Center Foundation in their bequests and/or estate plans. Legacy membership is open to all who want to ensure a promising future for deserving children, youth and their families.

Support an Extraordinary Child

The children Spaulding serves often come to us with very little.

Maybe a few items of clothing and generally little else. Many have never had a bed of their own and at Spaulding they have an entire bedroom of their own, so lots of bedding is needed as well as clothing to fill up drawers! Many of our children come to us sad or mad about the life changes that bring them to us, so new toys, stuffed animals and books are always welcomed!

Since public funding covers less than 100% of essential living, clinical, and educational expenses, every dollar donated to Spaulding Youth Center can have a profound impact for a child on campus. Whether the child considers one of our five residential cottages a home away from home, attends Spaulding School as a day student, receives services and support through our community-based programs, or some combination of these available services, your gift can provide meaningful opportunities for our kids to flourish and thrive in our therapeutic environment as they find their true potential.

Please consider helping to support extraordinary children and their families toward a successful future. Donating desperately-needed funds to Spaulding Youth Center is as easy as 1-2-3:

1. Donate online at
SpauldingYouthCenter.org/give

2. Mail a donation to
72 Spaulding Road Northfield, NH 03276

3. Contact the development office at 603-286-8901 ext. 107 or
donate@spauldingyouthcenter.org

Interested in sponsoring one of our amazing campus events?
Visit SpauldingYouthCenter.org/sponsorships
to learn more about the available opportunities.

Thank you for supporting the children
and families of Spaulding Youth Center.

About Spaulding Youth Center

Spaulding Youth Center is a leading provider of educational, residential, therapeutic and foster care programs and services for children and youth with neurological, emotional, behavioral, learning or developmental challenges, including Autism Spectrum Disorder and those who have experienced significant trauma, abuse or neglect. Established in 1871 and known as Spaulding Youth Center since 1958, our scenic hilltop campus is located on nearly 500 acres in Northfield, NH and welcomes boys and girls from ages 5 to 21 from around the state of New Hampshire and beyond. Within our intensive therapeutic setting, the professional staff instills study skills, social skills, independent living skills, vocational skills, and an appreciation of learning that help a child reach his or her full potential. At Spaulding, we believe that every child deserves a childhood.
